4. Planning Matters

To note and comment on planning applications received:

- The Willows W/16/0861 – following discussion it was agreed that NLPC supported this application and commented as follows:

As with the previous planning application W/15/1583 for The Willows, Norton Lindsey Parish Council supports this new application for the following reasons.

NLPC supports the scaled-down design at The Willows as it feels that the proposed development will enhance the street scene along that stretch of Wolverton Road, and will make the accommodations more in-keeping with modern family lifestyles.

In terms of the street scene, the current house is an unattractive mixture of styles and materials, and the proposal will make the property more aesthetically pleasing and will fit better with adjacent properties.
