## 21/09/15/09 To discuss issues within the Parish relating to highways and public areas (eg. the state of the roads, parking, overgrown hedges, footpaths, etc)

- 1. To receive an update on issues previously reported
  - Regarding pedestrian signs on Snitterfield Lane between Arles Cottage and Blacon Farm track,
     WCC have approved funding for the signs. The Clerk to forward a map showing the general location of the signs to Cllr Matecki who will pursue with WCC.
- 2. To report any new issues to be notified to the relevant authorities
  - The streetlight outside the Church is not working. It has been reported to WDC twice. The Clerk will chase.
  - There was discussion regarding an email from a resident who was concerned with the amount of dog poo on the pavement, and overgrown hedges and parked cars blocking the pavements and making it difficult to pass with pushchairs. It was AGREED that NLPC would write to home owners to ask them to cut hedges and also to the Pub to ask them to request that their customers don't park on the pavement. It was noted that although it is not an offence to park on the pavement, it is an offence to cause an obstruction. A notice will be put in the Parish Magazine and on Facebook, and the Clerk to draft a letter to homeowners and forward for approval.
  - There is a pothole forming on Wolverton Road. Cllr Brown to let the Clerk know where it is for reporting to County Highways.
  - The Brittons Lane road sign at the crossroads has been knocked over. To be reported to County Highways.

## To consider planning policies, applications and appeals received, and resolve to submit comments where appropriate.

Following discussion, it was AGREED that NLPC was neutral to the planning applications at Regent Cottage and Littleworth Farm, and that it had no comments to make on either application.

Cllr Matecki gave the meeting an update on the Chicken Farm planning application (land at Ward Hill) regarding concerns he had with WCC Highways withdrawing its original objections to the application based on new drawings which were only uploaded to the planning portal a day or two before the application was due to go to Committee, and also his concerns with the planning officer's report. It was also noted there was a discrepancy between the responses of statutory consultees Ecology and Highways – Ecology said the hedge should not be touched due to being classed as "important" under paragraph 7 of the Hedgerow Regulations 199, Highways were in support of a new entrance being made which would result in part of the hedge being removed. It was noted that the legal team had been involved regarding the planning officer's report, and that Cllr Matecki was waiting for a response. The meeting noted that the planning application for a change of use of land to a camping and caravanning site at Hatton Country World had been granted, but that NLPC's concerns regarding the increased use of Dark Lane and Norton Curlieu Lane had been noted by the Committee.
