To receive a report from the Clerk detailing:

1. Actions taken following the previous meeting

- The meeting noted that after many months, WDC Planning Enforcement had responded to NLPCs report that the Horsley House Farm hedges had been ripped out in breach of the granted planning permission. In consultation with WCC and following a site visit/ examination of historical data it had been decided that the hedges had been of a "low quality" and there were insufficient grounds to take any further enforcement action.

The meeting noted that the response to the consultation on the proposed South Warwickshire Council has been submitted.

- The Clerk advised Councillors that although their home address needed to be included on their disclosable pecuniary interest forms, this information could be withheld from publication if they or a family member could be subject to violence or intimidation as a result of it being disclosed online. Councillors are to put any requests to the Monitoring Officer.
 WDC had also provided a guide on councillor safety.
- The Clerk advised that she would soon be depositing historical minutes at the County
 Records Office but that the more recent minutes held in a loose-leaf folder would need
 binding beforehand. It was noted that none of the Councillors had access to a binding
 machine and that the Clerk would find a shop/business able to carry out the binding.

21/11/09/14 To receive reports from Warwick District Council and Warwickshire County Council Councillors Warwick District Council

WDC Cllr Rhead advised that WDC, working with Stratford District Council, have approved the climate emergency action plan. As part of this plan, funds have been made available to upgrade the heating in three council buildings and to install clean air monitors outside schools, people are to be persuaded to stop idling vehicles, and £18m is to be made available for sustainable housing. A consultation is ongoing to make developers address sustainability issues with housing developments. More relevant to Norton Lindsey is that the WDC Cabinet have approved the revised grant for a shop at the pub, and details of the new joint waste contract with SDC have been announced. The contract has been awarded to Biffa and it commences in August 2022. Collections break down as: food waste every week; garden/recycling waste every two weeks; and the grey bin every three weeks. The existing green and grey bins are to be retained for the new collections, and residents will be encouraged to reuse the existing recycling boxes/bags as they will not be collected. WDC has not yet made a decision regarding charging for green bin collections (Stratford District does charge), and it will encourage people to compost more. The green waste collection was suspended during the October half-term due to a shortage of HGV drivers, and it was noted that, whilst it is important to ensure that recycling contracts are not affected by such shortages, green waste collection is not compulsory. Cllr Rhead also discussed plans for a new Kenilworth Leisure Centre and the South Warwickshire Local Plan which is being worked on by both Warwick and Stratford District Councils. Warwickshire County Council

WCC Cllr Matecki discussed the ongoing review of 20mph speed limits, the review of on-street parking and resident passes, and the outdoor centres review following the closure of Marle Hall in North Wales. It was noted that recycling centres now have a live booking system in place to enable last minute bookings subject to availability, but that opening hours are the same as the pandemic hours. It was noted that there has been an increase in fly tipping during the pandemic. Cllr Matecki also advised that the Fire & Rescue Service is looking to recruit on-call fire fighters, and that the WCC Grant Fund will be available in January 2022.
