23/09/12/07 Parish Council Action Plan

1. Improve the safety and quality of roads and footpaths (see also agenda item 23/09/12/08) Roads:

• WCC Cllr Matecki advised that he and the County Highways team had visited Norton Lindsey to look into the proposed 20mph speed limit on Main Street, and it had been agreed that the 20mph zone would start at the junction with Wolverton Road and would probably end just south of Canada Lane. It was noted that New Road wasn't suitable to be included in the 20mph zone, but that the 20mph sign could be positioned on the Main Street side of the pub carpark entrance. Discussion took place regarding repeater signs, and Cllr Matecki confirmed that this would be included in the proposed scheme, which NLPC will be able to view before work commences.

Footpaths:

 The Clerk advised that she had made contact with the owners of the land with overgrown footpaths (Church Furlong to Warwick Road and to the north of Brick Kiln Close) to ask that the footpaths be cleared.

2. Take steps to improve the environment / address climate change

- There was a reminder of the Climate Community Event in the Village Hall on Friday 15th, and the Chair advised that the WCC Portfolio Holder for Environment, Climate and Culture would be hosting the evening and answering any questions. The Clerk advised that she had not yet received an invoice from NL Village Hall.
- Following a discussion on tree preservation orders (TPOs) and who should be responsible
 for requesting a TPO, it was agreed that the Clerk would send details of the Dorrel Oak on
 Main Street and the willow by the Chicken Farm to WDC Planning with a view to putting
 TPOs on them. Cllr Brown to find out more information about the oak tree in the field
 behind the properties on Snitterfield Lane and to report back to the October meeting.
- 3. Enhance communication with parishioners

4. Protect heritage assets

• Cllr Brown to contact a heritage architect regarding inspection of the Queen Victoria signpost.

23/09/12/08 To discuss issues within the Parish relating to highways and public areas (eg. the state of the roads, parking, overgrown hedges, footpaths, etc)

1. To receive an update on issues previously reported

- Overgrown footpaths see agenda item 23/09/12/07.1 for update.
- The fly tipping on the lane down to the sewage works on Canada Lane has been cleared. Cllr Brown advised that the piece of land the rubbish was dumped on is likely to belong to Severn Trent.
- The WCC signage that had been left on the verge opposite Littleworth Wood on Warwick Road following recent works has now been removed.
- Potholes on Wolverton Road and down Wards Hill have been marked for repair for several months but they have still not been done. The Clerk to forward details to WCC Cllr Matecki.
- The road gutters in the village have been cleared but the gulleys are still blocked. The Clerk to chase County Highways.
- The streetlight by the post box on Main Street is now working.
- County Highways have installed a new drain on Snitterfield Lane to alleviate the flooding problem.

2. To report any new issues to be notified to the relevant authorities

- The broken streetlight by the Church has been made safe but has not yet been replaced.
- The Clerk has requested that the playing field hedge be cut back as it is growing out over the payement.
- Cllr Elmhirst to contact the owners of The Croft on Main Street regarding their conifer hedge which is overgrowing the pavement.

23/09/12/09

To receive an update on picnic benches/tables to commemorate the Queen's Platinum Jubilee in 2022 and the King's Coronation in 2023, and the additional engraving to the Queen Elizabeth II signpost

- Cllr Brown advised that he has not yet been able to make contact with the Village Hall Trustees
 regarding the siting of the picnic tables. The Clerk confirmed the conversation that she had
 had with Woodberry of Leamington regarding installing and securing the tables, and she
 advised that Woodberry had provided an official quote of £2,028.60 including VAT for:
 - 2 x 1.8m Greendine A frame tables (flat pack) with a 10% discount
 - 1 x soft ground fixing kit (set of 2 units with a 10% discount
 - free delivery
 - installation on site

It was agreed that the Clerk would accept the quote with Woodberry, and that Cllr Brown would be able to meet the delivery van at the Village Hall and advise where the tables should be positioned.

 The Clerk advised that Pollards Memorials had confirmed that the remaining lettering to the Queen Elizabeth signpost was scheduled to be done by the middle of September, weather permitting.

- Following the first "NoMowMay" in Warwickshire in 2023, it was noted that some changes would be made to the mowing schedule for next year.
- The meeting noted that the Guardian newspaper had included WDC in its top 20 of Councils with high debt in proportion to the size of the council. Cllr Matecki advised that the report was skewed and did not take assets into consideration.
