- Those residents who use postal votes will need to re-register due to new time limits.
- There will be a delay to district council elections in 2027 if Warwickshire applies to be a unitary authority. Parish council elections are due at the same time and if they go ahead, parish councils will have to bear the cost of the election entirely if there are no district council elections. Consequently, parishes will be allowed to defer their elections for a year if they choose, meaning that the term councillors will serve will be five rather than four years, but that the costs of the election will be shared with the district councils. The parish council can then ask for the next election to take place in 2032.

^{***} The grant of £3,500 to NLCP Ltd for the community garden has been paid from the current account. It was agreed that funds would only be transferred to the current account from the C&C 95-Day Notice Account to cover this payment if the current account runs low, due to the C&C account paying interest. Therefore, £3,500 in the C&C belongs to general reserves, NOT the depot fund.
